

Severe Dengue Training Course

The Department of Medicine, Faculty of Medicine, Chulalongkorn University, Thailand in collaboration with the Asian Society for Pediatric Infectious Diseases will organize a course that will address all aspects of Severe Dengue based on evidence-based data to optimize clinical practice.

Course Duration: Two days (17th – 18th November 2018)

Background and Rationale: Dengue is the most common mosquito-borne viral disease in the world. WHO has announced a global strategy of prevention and control of dengue during 2012-2020 aiming at the reduction of dengue mortality by 50% and morbidity by 25%. Five technical elements to be applied are diagnosis and case management, integrated surveillance and outbreak preparation, sustainable vector control, future vaccine implementation, and basic operational and implementation researches.

Objectives:

- To provide knowledge and experience in the all aspects of dengue which leads to a global strategy of prevention and control of dengue.
- To work toward improving the prevention and control of dengue in various countries by ensuring transfer of best quality and relevant information and experiences.

Learning Experience: This course consists of lectures and discussions. Case studies and ward rounds will be arranged accordingly. The course will be conducted entirely in English.

Course Contents:

- Dengue: a global threat
- Dengue pathogenesis
- Diagnosis of dengue virus infection
- Clinical features and management of dengue patients
- Dengue prevention and control
- Cases presentation

Participant criteria: Internists, Pediatricians, Infectious diseases fellows General Practitioners and health personnel interested in expanding their knowledge in Dengue

Course fee: USD 350 (Three hundred and fifty US Dollars)

Payment: The course fee should be paid in US Dollars excluding the bank's service charge, by bank transfer to:

Account Name: Project Short Courses MDCU

Account Number: 045-507314-5

Bank Account: The Siam Commercial Bank Public Company Limited, Saphakachatthai Branch

Swift Code: SICOTHBK

Course Coordinator: Assoc. Prof. Kamon Kawkitinarong, MD
